## SENATE RESOLUTION

MADAM PRESIDENT:

I offer the following resolution and move its adoption:

A SENATE RESOLUTION urging the Legislative Council to assign the topic of the use of electronic security protocols in vote centers to the Census Data Advisory Committee.

*Whereas, Electronic and digital data security is of paramount importance at vote centers; and*

*Whereas, Without proper security protocols to define requisite standards of protection, vote centers are at risk: Therefore,*

*Be it resolved by the Senate of the  
General Assembly of the State of Indiana:*

1 SECTION 1. That the Indiana Senate urges the Legislative  
2 Council to assign the Census Data Advisory Committee the task of  
3 developing security protocols in order to protect vote centers with  
4 adequate standards of electronic and digital data security.

5 SECTION 2. That, if assigned, the committee shall consider the  
6 following:

- 7 1. Electronic hardware issues as they relate to vote centers.
- 8 2. Electronic software issues as they relate to vote centers.
- 9 3. Internal connections security issues as they relate to vote
- 10 centers, including pollbook signature security.

1       SECTION 3. That, if assigned, the committee shall develop the  
2 vote center security standards by December 31, 2010.

3       SECTION 4. The Secretary of the Senate is hereby directed to  
4 transmit a copy of this Resolution to the Legislative Council through  
5 the Executive Director of the Legislative Services Agency.
